Call for reports of committees.

MINISTERIAL EDUCATION.

We your committee on Ministerial Education beg leave to make the following report: We would not only reiterate what we said last year, that God has said in prophecy that ignorance is the parent of destruction and that in olden times they had schools for the prophets, and also that nothing can rise above its source. But realizing the benefit we have received this year from the institute at Yale by Dr Z T Leavell, aided as he was by those noble God loving, God fearing brothers, Prof's G A and J T Holly, principals of the Oakland Normal Institute. But we earnestly recommend that you not only continue to patronize this school and hold another institute, the time and place to be named by this body. But realizing that our own Mississippi Baptist College is now on secure footing with that humble, consecrated man of God W T Lowrey in charge, it is our duty to rally to his rescue.

Respectfully submitted, W A TURNAGE, Chairman.

This report was discussed by W A Turnage, Prof J T Holly and W T Lowrey. The latter taking up about one hour over which the body was greatly enthused. Report adopted.

DESTITUTION.

We your committee on destitution beg leave to submit the following report: We find the following points of destitution, Moore's school house, near Tynes'; Forest Grove, near Mingo, in Tishomingo county; the Academy on Jim's Creek; Mt. Pleasant on the headwaters of Johns Creek and Gum Creek. Realizing as we do that for two years we have been opening inroads into the enemy's country and that while it has been done under very adverse circumstances, we have now only to enter and occupy the field, and we not only earnestly recommend but plead that you continue the mission work as it is God's plan for the people to be saved, and above all we recommend that the churches untie the hands of the pastors that they may give themselves continually to the word and prayer.

Respectfully submitted, W D PAGE, Ch'n.

Report spoken on by Eld's W D Page, W A Turnage, J S Stockton, W H Camp and J F Benson. Adopted and the following motion prevailed, that owing to the length of the association one man could not well occupy the field, that the same be divided as per division of union districts except Harmony church which will work with the 2nd district. PUBLICATIONS.

We your committee on publications beg leave to submit the following report: Brethren we are glad to report that the bar of dissension has been removed by merging both the papers in one under the style and firm name of The Mississippi Baptist Publication Co., and we now will have one paper under the name of "The Baptist," and we earnestly recommend that every Baptist in our association subscribe, pay for and read it. We further recommend the Foreign Mission Journal and Southern Baptist Convention series of Sunday School literature.

Respectfully submitted, W A TURNAGE, Ch'n.

The report was spoken to by W A Turnage, W H Camp, J F Benson, C M Graham, F M Blount and W W Gilbert. Adopted.

ORPHANS HOME.

We your committee on Orphans Home, located at Jackson, Miss., beg leave to submit the following report: Baptist hearts have always been open to the cries of the poor and especially those of the orphans. "He that giveth to the poor lendeth to the Lord and that which he giveth will He repay." And we appealed to the pastors last year and nothing has been done in this association by pastors or people except a small contribution by little Oma Turnage, and we now appeal to every mother and father to come to the rescue of these little ones before winter comes on. Respectfully submitted, J T HOLLEY, Ch'n.

N. B.—Brethren, since the above report was written I have ascertained from Dr Lowrey that Brother Foster the founder of the Orphans Home now has yellow fever and also two of the matrons and children, and we plead now for immediate relief. W A TURNAGE.

Discussed by brothers W A Turnage and W D Page, and a collection taken up which amounted to \$3.90.

FOREIGN MISSIONS.

We your committee on Foreign Missions beg leave to submit the following report: Brethren, God has commanded us to preach the gospel to every creature, and He says if we love Him to keep His commandments. And we are sorry to report apathy that exists in our Association towards foreign missions, remembering God says "as often as you did it unto one of the least of these my brethren you did it unto Me." May God help us to do our duty.

Respectfully submitted,

W A TURNAGE.

HOME MISSIONS.

Your committee on Home Missions beg leave to report: We feel that the Lord has opened up fresh fields in the isles of the ocean by driving away the priest tyrants from Cuba and Porto Rico, giving those people a fair opportunity of hearing the gospel in peace. We should hasten to occupy this fair field at once. The other parts of our field need to be more fully occupied. We insist that our brethren shall come up more freely and liberally to the aid of all the work

Respectfully submitted,

W W GILBERT, Ch'n.

Adopted.

TEMPERANCE.

We your committee on temperance make the following report and say that intemperance is a matchless evil and is doing much harm in society, in churches and in the world, and ought to be stopped. As Solomon said "wine is a mocker and strong drink is raging, and who-

soever is deceived thereby is not wise." So the churches should condemn it and pray and work against it, until it is banished from the world. Respectfully submitted, W W GILBERT.

Adopted.

OBITUARIES.

We your committee on obituaries beg leave to submit the following report: We find since our last association the angel of death has visited our midst and taken the following brethren and sisters: Mt Pleasant, brother Walter Jarrel; Highland, brother D L G Neal; Salem, Albert Fowler, Polly Fowler and sister Mary Cleveland; Harmony church, Eld Ringer and sister Minnie Googe; Antioch, sister Malinda Hutchinson. Brethren, let us not mourn as those that have no hope, but remember that all things work together for good to those that love the Lord. Respectfully submitted, J M KENNEDY, Ch'n.

STATE MISSIONS.

Knowing as we do that this last year has been a very hard one so far as state missions are concerned, and that the work has been retarded in many ways, we therefore are made to realize that this work of missions needs our attention in a more direct manner now than ever. Now we know as to this work we can do more than usual next year, from the fact that great Ruler of the universe has abundantly blessed us this year with more abundant product of the soil than for the last several years. We feel that this work is a momentous and an important work, therefore we recommend that each pastor of the several churches of this association in a special manner preach at convenient times during the year sermons with direct reference to their mission work, and take collection for this most noble and important cause in order that it may not languish but progress as we believe it should. S MAYHALL, Ch'n.

SABBATH SCHOOLS.

Your committee on Sabbath Schools beg leave to report as follows: The reports sent up by the churches of this association show that but few Sabbath Schools are in operation. This should not be the case. Your committee is strongly impressed that our people should wake up on this question. Every church ought to have Sunday School, and every church may have one if some of the brethren will take the matter in hand, work faithfully and earnestly to build it up. He will always find help in the undertaking. Let an effort be made in every church. Respectfully submitted, D W SEARCY, Ch'n.

The Association adjourned for preaching and dinner. Bro J F Benson preached from the text "My sheep know My voice."
